Dear Dr. Ferrara:

I hereby submit my resignation effective at 5:30 p.m. on March 15, 1979.

I have accepted a position with the L. D. Caulk Co.

My association with the Division of Consolidated Laboratory Services has proven very educational in many ways, and I fully intend to put these well learned lessons to good use.

I shall miss the many friends I have made here and I sincerely hope that these friendships will continue for many years to come.

I wish the best for those who remain behind me. I hope that they will be treated with the respect and fairness that they deserve. The openness and honesty which you have established in the Bureau will surely be appreciated by all those who continue to work here.

I truly appreciate the many kindnesses extended to me by you and all those I have been associated with in the Bureau.

Sincerely,

Regina K. Demas
