

Submissions and Locations in DFS Dashboard

For this dashboard, if a submission included at least one substance within a drug category it is counted as a single submission for that category, even if multiple substances within that category were identified. If a submission includes one or more substances from multiple different categories (e.g. Cocaine and Prescription Opioids), it is counted as a single submission for each category.

Virginia State Police Divisions

The Virginia State Police (VSP) covers has seven regional divisions in the Commonwealth. Below is a list of cities and counties located within each VSP division.
